Physical Requirements Officer, OMS

Acting Chief, Publications Division, FBIS

Physical Examination/Evaluation of JPRS Contract Employees

REF : Your memorandum, dated 15 August 1967, same subject, and our conversation
17 August 1967

1. It appears that there is a misunderstanding regarding the benefits provided the JPRS contract employees. Under present conditions, none receive "similar and like" benefits of regular government employees, being covered only by compensation for injury and allowed sick and annual leave accumulation.

2. Full-time CE's of JPRS/DC are required to have physical examinations by Agency designated contract physicians. However, because of expense and inconvenience involved in following this procedure in [redacted] 25X1
[redacted] in conference with [redacted] then chief
of [redacted] /OCR, agreed to pass on the Form 89 of applicants
from those areas. 25X1 25X1

25X1 3. Precedent for this type of approval were the cases of [redacted]
[redacted] 25X1 and [redacted]
and [redacted] 25X1

4. Enclosed is the Form 89 for [redacted] with Form 259, Request
for Medical Evaluation, signed by [redacted]
